

# New York Kids Club announces four new celebration themes!

## **A Hip Hop Happening (ages 5 +)**

Professional dance performers lead an hour of creative hip hop activities culminating with an exciting choreographed presentation!

## **Club Montague Party (ages 7 +)**

Celebrate your child's special day with a blockbuster karaoke and DJ dance party sure to surprise and delight!

## **Spectacular Science Party (ages 5 +)**

Nurse Neutron, Doctor Proton and Madame Molecule lead a creative, theatrical and unique science exploration celebration.

## **Culinary Celebration (ages 7+)**

Young chefs prepare one of three exciting and thematic meals in our state-of-the-art culinary institute!

Be one of the first to enjoy the celebration of the season!

*birthdays...back to school class celebrations...  
halloween parties..holiday parties...class gatherings*
